Hey YusufG,

We hope you feel great to follow the agenda. Because these days are the ones that everybody has started to talk about our **new normal** may look like.
What was "the normal" by the way? 😊

- 💰?
- 🚒?
- 🛋?
- 🌬?
- ✈?
- 🍽?

We cannot figure it out but **keep reading** we have a dialogue for you.

Featured Dialogue: Sustaining into a Better Future**What is this dialogue about?**

This dialogue explores the main tools to inherit better future for upcoming generations. We will explain how policies should evolve and what we can do for a track on sustainable way of living.

We will focus on 2 economic models:

1. Sustainable Development
2. Degrowth

sustainability is really about
intergenerational and
intragenerational justice.
- Inter? Intra? Huh? 🤔

No worries we will explain everything
including Carl Sagan's "pale blue
dot" and cowboy economy. 🌎

You can start the dialogue from here: **Do you agree** with this statement? 🤝

"This generation makes sure that it leaves the next generation a stock of capital no less than this generation has now." 🌱

- ➊ If you say **yes**, we are waiting for you.
- ➋ If you say **no**, you should begin considering the situation again.

How can we change behaviors?

Is it possible to save more money, eat well, gain healthy habits, and make better choices in general? In this dialogue, we will determine how we make our decisions and talk about different techniques we can use, like nudge and choice architecture, to change our behavior. #yey

Sustainable Development Goals

Are you aware of the multitude of social, economic, political, and environmental problems? In this dialogue, we will be learning about the 17 Sustainable Development Goals and briefly examining them. These are a universal call to action to end poverty, protect the planet, and ensure that all people enjoy peace and prosperity by 2030. #seriousasblackcoffee

Next on Mindhood - Ethical Consumerism

How do our behaviours as consumers affect the world? Do corporations manipulate us to sell their products? Can we achieve real transparency to make better-informed, ethical market decisions? We will discuss all in this dialogue! 🤔🤔

See you next week,
The Mindhood Family ❤
