## EXPERIENCE

### Freelance Writer

#### Data Transmission

03/2018 - Ongoing United Kingdom

<https://datatransmission.co>

Data Transmission is an English music blog with main focus on Techno / House and Drum & Bass music, events and the raver lifestyle.

- Built a Bass Music section from scratch (interviews, reviews, premieres)
- Generated over 10,000 views on my content in 2020
- Interviewed genre greats such as Amon Tobin and Ivy Lab

### Freelance Writer

#### Trommel & Bass

10/2017 - 01/2021 Germany

<https://trommel-bass.de>

Trommel & Bass is a German music blog that focuses on Drum & Bass music, events and the raver lifestyle.

- Generated over 10,000 views on my content from 2017 to 2019
- Have written a total of over 50 posts, mostly on Drum & Bass and its subculture

### Freelance Writer

#### baesse.de

05/2017 - Ongoing Germany

<https://www.baesse.de>

baesse.de is a German music blog that focuses on Drum & Bass music, events and the raver lifestyle.

- Have written bulked reviews about a total of 45 D&B records released in 2020
