

24BETTLE REVIEW

1) GENERAL INFO

24Betttle is an online immersive casino experience that brings a whole wave of excitement to the sports betting and online gaming industry. Launching in 2016, it changed the way in which players are challenged, not only do the challenges arise through playing games but through the unique loyalty program, which rewards players for every achievement - taking them each on an individual journey, where they are provided with the chance to level-up.

The merging of an immersive casino experience and sports betting system, combined with an achievement-based loyalty system in place that rewards you for being active, such as: logging into your account for three consecutive days in a row or placing numerous live bets.

As a reputable gaming provider, safety and security are put at the forefront at all times, ensuring a fair and reliable gaming environment, regulated by the MGA (Malta Gaming Authority.)

2) BONUSES & PROMOTIONS

WELCOME BONUSES

The welcome bonuses at 24Betttle go beyond generous, which also applies to the plethora of promotions that are running and updated on a regular basis. Casino-lovers

are welcomed with a winning 100% up to €240 with 24 free spins. Whilst sports enthusiasts can turbo-charge their bets with 100% up to €100 with their very first deposit.

ACHIEVEMENT-BASED LOYALTY SCHEME

The achievement-based loyalty scheme consists of four different sections, catering to the individual player's taste. Every section has a number of levels for players to pass through, with a number of challenges which they must surpass, in order to evolve. These four sections are split into Casual, Slots, All Round & Hardcore.

Evolving through every level will lead to more rewards, this could be with something such as being active within one of your favourite slot games and maneuvering your way through a milestone - producing double the win.

It's never been easier to customise your experience, there is a widget in place that allows you to adjust your playing style as you see fit. The achievements section is split into "Level achievements" and "Lifetime achievements" containing badges, every time you achieve.

The never-ending series of levels also features wilds which prepare players to advance much quicker by allowing them to "buy-off" achievements, which will complete the task. Wildcards increase each time players deposit, with a mark placed on their own achievement board.

CASHOUT

Cash-out betting is the new winning formula designed with sport-lovers in mind, making it easier than ever before to secure more wins in the live sports betting sector.

Simply put, when uncertainty arises within the player during a specific race or game, the cash-out feature can be utilized, it can either give you all of your money back, help you to make a profit or allow you to regain a part of your stake, minimizing the losses.
