2) BONUSES & PROMOTIONS

WELCOME BONUSES

Getting off to a great start at Casino Sieger, all begins with their welcome bonus offer which is redeemable on both casino and sportsbook offering 100% up to €200.

Sports enthusiasts can bet their way to brilliance with a welcome bonus of 100% up to €100 on their first sportsbook deposit.

THE LOYALTY BANK

Casino Sieger has created this incentive with a whole heap of generosity, carrying the belief that players should be rewarded for their loyalty.

The loyalty bank is a gradual process that builds a bonus especially for you.

For example, upon making a deposit, you would receive a point for 0.5x the last deposit you made, as a percentage ((up to €100) bonus for your next deposit.

CASH-OUT

Sieger's sportsbook cash-out option is definitely one to consider when betting on your favourite sports. Sieger's cash-out features become the saviour of your live sports betting experience. For example, this can be attractive in circumstances where the race or game may be going taking an undesirable turn, which is where opting for a cash-out would be a viable option. This gives players the chance to reclaim their stake, gain profit or receive their money back, which beats losing it all.

SPINFINITY SECONDS

Sieger has introduced another incentive called "spinfinity seconds" which runs on a weekly basis (Monday to Friday) between the hours of 00:00 - 09:00 CEST. Every week a new game will be selected, where players will have the opportunity to gain infinite spins. This feature is automatically triggered when you win €45, unlocking twenty seconds worth of spins.

3) CASINO GAMES & SOFTWARE

For players seeking the best of the best in terms of spinning entertainment, they will pleasantly surprised to discover that Casino Sieger has a great deal to offer, where slot machines are concerned. The casino contains slots from premium software suppliers such as Quickspin, NetEnt, and iSoftbet, meaning that there will be an endless supply of known titles: Bloodsuckers and Scarface, to name a few. These providers have created some of the most visually attractive spins, with all containing unique bonus features.

There are also dozens of 3-reel games available, courtesy of NetEnt, including Super Nudge 6000, Lucky 8 Line, and Jackpot 6000, which all provide players with a taste of

the real-life slot machine experience, for those that crave it from the comfort of their own home.

For those craving the classic casino experience, Casino Sieger has something to keep it classy, from traditional favourites such as Roulette, Blackjack to other play table games such as Pontoon, Oasis Poker, and Caribbean Stud Poker.

Live casino games are also provided for those seeking authenticity, provided by NetEnt.

It's worth noting that mobile players would not need to download an app either since the website can be accessed on mobile browsers powered by Android and Apple iOS.

4) SPORTSBOOK

Sportsbook provides players with a live and virtual sports category. Players can bet on: Football, Basketball, Tennis, Ice Hockey, and Volleyball.

5) PAYMENTS

Casino Sieger is partnered with the highest quality payment providers. For the majority of countries, there are local payment solutions on offer as well, and worldwide e-wallets including Neteller, Skrill, and VISA.

Credit card is also accepted.

Payments are usually processed within 48 hours during the working week, however, if payment has not been received within 4 working days, it's advisable to reach out to customer service at your earliest convenience, to rectify the issue.

6) SUPPORT

The support team is always available to help you. You can use the contact form, reach out via email, or send a message to the live chat and the Casino Sieger team will offer assistance in real-time.

7) OTHER & VERDICT

Evidently, the entertainment is present at Casino Sieger. With the gallery of high-quality games from the best software providers within the gaming industry, there is no end to the excitement. There is a generous selection of welcome bonuses and promotions that

are being updated on a constant basis, and with mobile optimization, players have the flexibility to access and remain active wherever they like, whenever they like.
