## **THE FAMILY WORSHIP & PRAISE CENTER SHIFTS TO ONLINE SERVICES**

**TALLAHASSEE, FL** – Greetings, FDUB nation! I hope this message finds you well despite the abrupt transition many of us are facing. Although we did not foresee the COVID-19 virus affecting our lives so closely, we serve an all-knowing God who is not taken by surprise. As He has been faithful throughout our lives, His love and protection surrounds us even now.

For the past two weeks, social distancing has been a major effort to contain the spread of the virus, and our nation has been encouraged to keep gatherings at a maximum of 10 people. Beginning Sunday, March 29, my decision is to temporarily transition to online services and spread God's Word through our social media platforms. Tomorrow's Bible Study will be canceled, but we will resume online next week. While this is a nontraditional method of attending service for many of you, God has equipped our ministry with the technology and resources for such a time as this! Not only will you be able to hear the spoken Word, but you will experience live praise and worship and a virtual altar call with 1-on-1 prayer.

To join our online family and view the livestream worship experience, subscribe to our YouTube channel, The FWPC, and follow our Instagram, Twitter, and Facebook profiles @thefwpc. In the meantime, remember that you can contact us via email at [info@thefwpc.org](mailto:info@thefwpc.org) or phone at (850) 656-9378.

Although my favorite part of the service is when we open the doors of the church, I am excited to see God's power touch hearts, minds, and bodies in a time we cannot physically touch hands! Stay connected with us as we forge ahead.
