Bullet Points or Features

- **DELICIOUS INSTANT TEA POWDER:** Our refreshing, ice tea mix powder is made from premium ground black tea leaves, satisfying your thirst for a strong tea flavor the natural way; it's perfect for a morning hot tea or an afternoon iced black tea
- **GUARANTEED PURE:** We've added no artificial preservatives, colors, flavors, or fillers of any kind, so you can enjoy an all-natural cup of cold or hot tea — something you can't find in other off-tasting, chemical-filled powdered black teas
- **IMPROVES YOUR OVERALL HEALTH:** Our unsweetened tea may help improve your concentration and heart health and maintain your cholesterol and blood sugar levels that are already within the normal range; just add this powder tea to your favorite smoothies
- **A HEALTHY ALTERNATIVE:** TEAki Hut's instant tea powders are delectable, zero-cholesterol breakfast tea beverages that have lower caffeine content, making them a great substitute to coffee, sugary drinks, and energy drinks
- **QUICK AND SIMPLE TO MAKE:** This powdered tea is hassle-free and easy to prepare; simply add 1/8 teaspoon per 8 oz of cold or hot liquid, stir until dissolved, and voila! You now have a cup or glass of pure black tea drink in seconds

Product Description

What's the Tea With Our Black Tea?

Daily intake of unsweetened black tea beverage helps improve your health, enhance your focus, and keep you energized for the day. But when you brew tea using the whole leaf in tea bags, you miss out on a plethora of essential nutrients contained in the leaves themselves.

Good thing our Instant Black Tea mix is fine and natural! It contains zero fat, cholesterol, sugars, additives, and artificial ingredients — perfect for the health-conscious. You can sit back, relax, and enjoy every sip, knowing that this instant iced tea mix is premium powder from specially ground black tea leaves — nothing more, nothing less, nothing else.
