Title

TreeActiv Anti-Acne Pillow Spray, Lavender | Pimple Prevention & Freshener for Bedding, Blanket, Fabric, Linen Sheets, Pillows, & Pillowcases | Tea Tree Sleeping Mist for a Deep Sleep | 1000+ Sprays

Bullet Points or Features

- DEEP-CLEANSING PILLOW MIST: Our Lavender pillow spray targets bad odor and acne-causing dirt on your pillowcases, beddings, blankets, and other sheets; this Lavender linen spray even helps combat hormonal and cystic acne as you enjoy a relaxing sleep
- OFFERS 1000+ SPRAYS: A little goes a long way with our Lavender spray for sleep with Peppermint Essential Oil; unlike an ordinary sleep spray for pillows, our proactive Tea Tree Essential Oil spray lets you enjoy a calm sleep and wake up pimple-free
- A GENTLE FABRIC SPRAY: Our sleep pillow mist with Tea Tree Oil, Lavender Essential Oil, and Peppermint Oil is safe for all skin types; with its calming aromatherapeutic benefits, you can get a peaceful sleep without worrying about skin irritation
- FRAGRANT TREATMENT FOR ACNE-PRONE SKIN: Our bed linen spray and pillow spray for sleeping deeply cleanses to prevent facial, scalp, and even chest acne; in short, our anti-acne pillowcase and linen spray for bedding reduces your chances of a breakout
- DIRECTIONS FOR USE: Apply our Aloe Vera pillow mist sleep spray directly to pillowcases and the surrounding area before going to bed at night or taking a nap during the day; use as often as desired; for an odor-free space, use our Air Freshener Spray

Product Description

A Soothing Pillow Cleanser

Looking for the best nature-powered mist with a strong yet sweet aroma that works to help you sleep well like a baby? Rest better with this potent Lavender bed spray that's also infused with pure Clary Sage Oil and Camomile. It rids acne-causing irritants from pillowcases and beddings, reducing your chances of waking up with zits. Its blend of ingredients will leave your face feeling light and your linens fresh with its long-lasting scent as it helps you stay asleep.

Now you can just drift into a restful, anxiety-free night at home or wherever you are with our rest and meditation spray that's like therapy in a bottle. Different from other aids and products, it helps you sleep with its aromatherapeutic blends that smell great and make you feel good. Another advantage is it's safe for sensitive or oily skin.

Functions

- pillow spray to help relax the mind
- pimples control and scars healing solution
- overnight mood-elevating spray
- pregnancy-safe blackhead, dots, and acne terminator
- scented sprayable flight pillow mist
- bath, yoga mat, spa, and massage spray
- bedtime relief for adult women and men, teen, boys, girls

Dive into clean, silky sheets or mattress with a botanical mist that's safe for pets and kids; our Lavender Essential Oil spray has no chemical fragrances, helping you sleep more soundly. Unlike other pillow sprays or things to help you sleep, this natural product is perfect for travel, so you can get that extra sleep even when you're on the move. To clear exposed, active, severe, and stubborn marks or dark spots, use our rapid acne-drying Cystic Acne Spot Treatment, Acne Scar Cream, Balancing Herbal Toner, and Sulfur + Charcoal Acne Exfoliating Face Wash. Complete the 90-day system kit with our Acne Treatment Face Cream Moisturizer with Salicylic Acid.
