

# Where will you go next?

## Jamaica

Jamaica's sugary white Seven Mile Beach is among the best in the world. No wonder Thomson's planted its newest luxury retreat there...

Sensatori lands in Jamaica on page 90.

## Porto Santo

This tiny dot of an island north of Madeira is barely visible on a map, but it's tipped to be the next big thing in travel. Don't say we didn't tell you so.

Be the first to stay at Thomson's Platinum-rated Porto Santo hotel on page 113.

## Morocco

Chic beach holiday or cultural city break? Bag both in Morocco, where you can mix the souks and snake charmers of Marrakech with the sandy stretches of Agadir.

We shortlist the best dual-destination holidays on page 84.

## Malta

Size isn't everything – just ask Malta. This sunny Med island's got UNESCO-listed history, azure-water beaches and stylish shopping scenes to rival countries three times its size.

Tot up the reasons to visit Malta on page 98.

## Egypt

Its toasty temperatures feel a million miles from the grey skies of Blighty, but Egypt's zippy flight time puts Africa in easy reach.

Get to know Sharm El Sheikh on page 83.

## Italy

Rome wasn't built in a day, but that's all you need to see its best bits. Whistlestop tours tick off the biggest sights – plus a scoop or two of gelato.

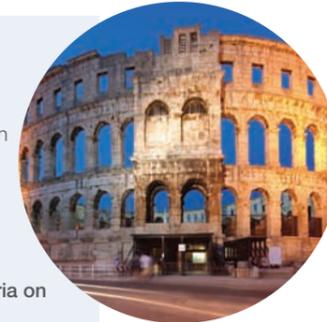

Make a day of it with our pick of cruise excursions on page 101.

## Croatia

There's more to Croatia than café-lined cobbled streets and boats bobbing in harbours. Live concert in a Roman amphitheatre, anyone?

Discover the region of Istria on page 109.

## Greece

Home of fiery sunsets, atmospheric old towns and the Greek gods of love – this place knows a thing or two about romance.

Check out our holidays made for two on page 76.

## Spain

Forget what you've seen on ITV's Benidorm, Spain's got a subdued side, too – with hidden parts of the Costas dishing up some serious sandy solitude.

We shout about Spain's quietest retreat on page 87.

## Maldives

It's not just the vistas that'll blow you away in the Maldives – the jaw-dropping hotels are more than a match for their paradise backdrop.

Check in to a Jacuzzi water villa on page 79.
