Dear Friends:

I am so happy to welcome you into the Heifer community of supporters. Thank you for your recent contribution toward our vital work to help families lift themselves from poverty, hunger and despair — permanently.

Because of you, Heifer staff will help families in over two dozen countries improve their health and nutrition, income and livelihoods, communities and societies. Cows, goats, sheep, poultry and other livestock are our partners in these efforts, providing the benefits of milk and milk products, organic fertilizer, wool, honey and other renewable assets that continually uplift a family's prosperity and opportunity. Expert training pulls it all together, equipping participating families with farming and marketing skills, shared tools like equipment and revolving loans, and the transformational impact of Heifer's 12 Cornerstones for Just and Sustainable Development.

I encourage you to follow the direct impact of your gift, and the combined impact of our entire Heifer community, through our website, Facebook page and other communications vehicles. You'll be amazed, inspired and gratified by our individual and collective ability to eradicate preventable poverty and hopelessness in our world.

Sincerely,

Pierre U. Ferrari  
 President and CEO
