Name: Qomatropin 100, Manufacturer: Pharmaqo Labs,
Contents: 10 x 10iu somatropin injection vials (100iu). Another effect caused by normal bicarbonate is that it causes the body to produce more bicarbonate at the expense of water, pharmaqo somatropin hgh 100iu. This is due to an overuse of bicarbonate to keep your body's carbonic acid (salt) levels low. Water is necessary to excrete your salts, which is one of the effects of excessive bicarbonate.
