Press Release

“Read Beyond the Beaten Path” 2022 Summer Programs at the Worthington Library

Worthington, MA July 2022 – The Worthington Library is offering programs for kids and adults in this summer’s program, titled, “Read Beyond the Beaten Path.” Programs will run on Thursdays on The Worthington Library lawn from 10:30 am to 11:30 am with the exception of One World with John Porcino, which runs until noon.

The program began with **Birds of Prey** with Tom Ricardi on July 7.

July 14 10:30 am to noon – **One World: A Story, Song, and Hands-on Musical Instrument Experience** with acclaimed storyteller and musician John Porcino will engage the audience in fun and moving stories from around the world accompanied by musical instruments. The audience will also learn how to gently handle and play, and will be invited to try out instruments (except those played by mouth).

July 21 – Come read, explore, and make progress toward winning the prizes for reading the most books during the summer program!

July 28 – Join us for **Impromptu Camping Magic** with Ed the Wizard where you’ll learn how to perform magic tricks using typical camping and hiking trip items. Ed the Wizard recommends bringing your own large handkerchief or bandana, band-aids, a long pencil, paper plate, cup, shoe string or thin rope, and a quarter. Extra materials can be supplied.

August 4 – **Trail Mix** with Diane Edgecomb takes us on a fossil dig in Montana to discover a new dinosaur and some sassy bugs. Along the way, we’ll enjoy stories and songs.

August 11 – Mary Jo Maichack teaches us how to build **fairy houses**. Create a fairy house for the library or to take home during this magical program.
