

*Only those who honor difference  
can count themselves truly educated.*

INCLUSION IS WOVEN INTO DREXEL UNIVERSITY'S HISTORY AND  
ASPIRATIONS, AND IT IS BOUND TIGHTLY TO OUR CULTURE OF  
INQUISITIVE INNOVATION.

Our classrooms are made richer by the exchange of perspectives and ideas. Our neighborhoods are made stronger by our civic enterprises and community partnerships. Our graduates embark on careers confident of themselves, respectful of others and able to sensitively engage in the world.

In this spirit, Drexel is pleased to salute *The Philadelphia Tribune's* Women Achieving honorees.
