EDUCATION

🎓 **COVENANT UNIVERSITY**
Bachelor Degree in
Mathematics
2022

PROFESSIONAL SUMMARY

Dedicated 3D Character Artist with a decorated background in a variety of artistic mediums such as Blender, Maya, Photoshop, and many more. Highly experienced in illustration and animation. Adept at working independently and collaboratively on projects, and committed to achieving the best visual innovation and beauty known to Man. Bringing forth the ability to work well with others and utilize my artistic skills to visually enhance projects.

My Role mostly revolves around designing the characters as well as rigging them for future animations

EXPERIENCE

NFT CREATOR

(Mar,2022)

Worked in collaboration with other 3D Artists and department members to create a set of 3d works

EXTRA-CURRICULAR ACTIVITIES

3D MODELER

(APR,2018)

I was tasked with modeling different versions of Spider-man based on the marvel character
