I am in the 7th semester at Turkish-German University.

I am highly passionate about digital marketing, social media marketing, graphic design and video editing.

I have the ability to competently reflect on and communicate through intercultural competence, and approach matter critically and innovatively while taking the process of change and transformation of cultural assets and the highly dynamic character of today's technology and media into consideration.

Experience

Social Media Specialist at Uplift People Consulting

May 2023 - Present

- Managing Uplift -a global HR company- social media accounts (LinkedIn, Instagram, Twitter, Spotify, YouTube, TikTok)
- Developing and executing comprehensive social media strategies in alignment with business objectives and brand identity
- Designing and/or editing visual content, writing their caption to publish according to the weekly plan and strategies that are developed by me
- Writing monthly newsletter according to SEO and creating its visuals to publish on LinkedIn as well as distributing the content to our high-level clients as an e-mail marketing strategy via Mailchimp
- Developing marketing strategy for the events we attend abroad, and designing stands, posters, brochures, business cards (digital and print), souvenirs, etc.
- Improving podcast episodes, generating questions and writing its script tailored to every guest, approaching potential guests, editing the content, promoting on social media channels, and publishing on Spotify, and other social media channels, while keeping myself up to date to enhance every episode
- Creating strategies to build team spirit and boost our internal engagement on social media among coworkers
