

# G-P Recruit Quick Guide

**G-P Recruit** enables you to quickly identify and hire new team members anywhere in the world through Globalization Partners' market-leading global employment platform.

## What does G-P Recruit offer?

---

**Unified customer experience:** G-P Recruit supports a unified customer experience incorporated through a single, industry-leading global employment platform, enabling you to manage the complete HR process of talent identification, hiring, onboarding, management, and offboarding.

**Platform automation:** Based on your unique combination of hiring location, industry sector, functional area, and level of the role, our technology will automatically match you with recommended recruiters to find you the perfect fit - drastically increasing the efficiency of your hiring process.

**Unrivaled network of vetted recruiters:** Our recruitment partners are carefully vetted by our Partner team. They have deep expertise and networks in their focus areas and are fully integrated into our platform and processes.

## How can G-P Recruit help your company?

---

**Go Global, FAST** – Our best-in-class technology helps you quickly find the right talent, in the right location, at the right cost, quickly and efficiently. For example, you can quickly move your preferred candidate along from recruiting to hiring and onboarding with the click of a button.

**Simplify International Recruitment** – Get a unified customer experience with our global employment platform, regardless of where in the world you are recruiting... from Sydney to San Diego.

**Gain Key Insights** – View and stay up to date on all essential global recruiting data from one platform — instead of dealing with multiple companies, points of contact, and dashboards.
