## EMPLOYMENT HISTORY

### Staff Writer at The A.V. Club

February 2021 — May 2022

Wrote trending pop culture news stories. Helmed the music section alongside editor Alex McLevy, planning out interviews, reviews, compiling lists of upcoming releases, and brainstorming reaction posts.

Interviews include: Adam Brody discussing various roles throughout his career; Lucy Dacus on the making of Home Video; Japanese Breakfast discussing her third album, Jubilee; Jake Lacy on the White Lotus finale, and more. Broke the news of Alexa Nikolas filing a complaint against Rhye's Mike Milosh, and published an originally reported story on the allegations against him, as detailed by Nikolas and two other women.

### Pop Culture Editor (Contract) at BuzzFeed

February 2020 — November 2020

Edited the work of staff writers and editors, including senior editors. Wrote breaking pop culture news, often reaching 1 million clicks or more per article. Expanded the Latinx content of BuzzFeed, with features on Bad Bunny, Walter Mercado, and more.

### Social Media Editor/Contributing Writer (Contract) at TV Guide

April 2019 — October 2019

Spearheaded TV Guide's Latinx Heritage Month, running a social media video series featuring influential Latinos in Hollywood speaking about the first time they felt represented onscreen and the type of roles they'd like to see a Latinx character take on. Ran the TV Guide Twitter, writing social copy and tweeting breaking news, as well as creating content targeting specific fandoms with memes, celebrity birthdays, and anniversary posts.

Contributed to the site's Best of the Decade list, as well as conducted interviews with Pamela Adlon, Ramy Youssef, and more. Wrote the oral history of the Freaks and Geeks episode "Beers and Weirs" for its 20th anniversary, interviewing Linda Cardellini, John Francis Daley, Busy Phillips, Martin Starr, among others.

### Entertainment Writer at Bustle

May 2018 — April 2019

Wrote about film and occasionally television, including articles that look into the inspirations behind upcoming films; a timeline of equal pay in Hollywood; film and TV listicles, and more. Interviews include: Emma Stone discussing upcoming film The Favourite and Saoirse Ronan discussing next role after Lady Bird in On Chesil Beach.

## EDUCATION

### Master's Degree, Journalism, Columbia University

August 2016 — May 2017

Master's thesis — published on UPROXX, April 2017 — on artists that have used their music as a platform to discuss their experiences with anxiety, depression, and PTSD, and how they've helped fans cope with mental illness. Interviewees included Jeff Rosenstock, Sadie Dupuis from Speedy Ortiz, and Brendan Lukens from Modern Baseball.

### Bachelor's Degree, Communications and Media Studies, Goucher College

August 2012 — May 2016
