## A COMPLETE GUIDE

The Style Concierge service is a monthly membership program exclusive to The Art of Style.

This program is designed to change the way you shop - making it easier, more organized, and more fun.

Think of as an automatic budgeting system for your wardrobe - each month, your money will automatically go on a gift card to the store. Set up an appointment to come try our picks for you, pick it up on the go, or come shop for yourself. Even if you know what you love, our stylists can always help find items for you before you even realize there is a lack thereof.

This program gives you automatic access to our styling services, and you can use it however you please.

### **HOW TO USE IT**

Once you sign up, we will set up an (optional) style consultation where we assess what you want + need from the program, as well as basic necessities such as sizing and style preferences. This consultation costs \$100 which will be credited towards the store.

Here are some of the ways you can use this program to fit your lifestyle.

**For those who hate shopping.** Instead of you 'coming in to look' how about we just look for you? **For those who LOVE shopping.** We'll set aside your budget. You just come in and have fun - we'll be waiting to assist you.

**For those who want all things new.** We'll pull things throughout the month, as soon as we get 'em, that we know you would love. We'll let you know to come in for a styling session and try it all on, knowing that you're getting first dibs on our exclusive merchandise.
