PROFESSIONAL EXPERIENCE

Television Producer

4/2006 to Present

The Associated Press, Tehran, Iran

<http://www.ap.org/>

Cover breaking news under time pressure deadlines and in high-stress situations as well as feature stories, generate story ideas and prepare high-quality compelling video packages with storylines, conduct news research, write news stories, and assist with production tasks including video editing. Produce segments, gather visual elements, and collaborate with crew as well as newsroom staff.

- Covered a wide variety of major and groundbreaking news stories including natural disasters, political elections, protests, plane crashes, Iran's nuclear program, coronavirus pandemic as well as feature stories in the areas of arts, sports, animals, environment, health, wellbeing, and many more as a field producer. Number of stories covered totals up to thousands over a period of 15 years.
- Consistently delivered outstanding news content with solid news judgement, an innovative approach to content creation and a demonstrated ability for effective teamwork and attention to detail.

Editor and Translator

8/2013 to 9/2014

SHANA Petro Energy Information Network, Tehran, Iran

Performed translator, editor, and writer duties as a freelancer and covered oil and energy-related stories. Developed content for print and digital platforms, ensured editorial flow, liaised with reporters, collaborated with production department, and curated content for social media.

- Translated and wrote articles on the energy sector, gaining strong knowledge in this field.

English Instructor

1/2004 to 2006

Zaban Sara Educational & Cultural Institute, Tehran, Iran

Taught English as a foreign language to students, instructed all levels from beginners to advanced, conducted daily classes, delivered feedback on performance, and monitored students' progress.

- Successfully mentored students, enabling achievement of their academic goals.

LANGUAGE PROFICIENCY

- English: Fluent - Excellent proven command of English in all four skills
- French: intermediate – actively learning
- Persian: mother tongue
